Half yearly Report Dec-2023

Dear Sponsor parents, Churches, Schools and my Friends,

Loving greetings from the precious name of our Lord Jesus Christ. We are very much delight to keep in touch with you through this Half yearly report with X'Mas greetings.

We had a lovely and fruitful U.K. visit in May and June-2023. Many Thanks to Revd. William Allberry and other U.K. Trustees for their kind invitation to me and Charles and excellent arrangement for our 50 days U.K. visit. Also our hearty thanks to all our hosts for their kind welcome, comfortable stay and delicious food in their homes. We are very much thankful to all the exciting sponsor parents for their very kind link and continuous supports towards the empowerment of deprived girl children and unsupported elderly ladies.

### Silver Jubilee

By the Grace of God we were celebrated our KMH & JGH Silver Jubilee in 18th of September -2023, Our KMH(UK) trustees Revd. William Allberry & Joan, Revd. Kathryn & Ben Flenley and Revd. Ian & Barbar Howrath were very kindly participated the celebration and

grace the functions. More than 300 people children and their parents elderly ladies, old students and project staffs were attended the function. The celebration was much colourful light, beautiful decorations with music and dance. We provide big dinner to all of them. we are overwhelmed

with gratitude for your outstanding support. Your commitment to making our milestone event a resounding success has left an indelible mark on our hearts.

At Joan's Grace Home all the girl children are very well and enjoying their school studies. Our KMH offer them comfortable accommodation, balanced diet and good education. Some of the old girls participated the 25th anniversary and they gave very good testimony about the progress of their family life. So the progress and impact of the Joan's Grace Home are giving us so much encouragement

At JGH our unsupported elderly ladies are very well and happy. We are providing good facilities and medical care for their peaceful living. Recently we missed one of the aged lady due to the age factor.

## Kathryn's Nursery & Primary School.

At Kathryn's Nursery and Primary school we have more than 300 children at the age of 3 to 11. We believe education is the key to a brighter future, and with your support, we can unlock the doors to limitless possibilities. Our current facilities are stretched to their limits, with classrooms overflowing and students eager to learn. Our current classrooms are insufficient, some of the classes conducting in portico and no separate class rooms for LKG

children. Making it challenging for students to focus and teachers to provide the quality education every child deserves. We have a waiting list of eager minds, ready to learn, but the lack of space is a barrier. To ensure every child in school receives a quality education, we started the new class room construction in 12th July 2023 with the help of some of the UK friends. Now we finished the ground floor roof work. Our Sincerely thanks to all the donors for the new class room construction.

### Special Christmas appeal

We have started an appeal and some of our UK friends have already kindly agreed to support the construction work and have sent money for this purpose. Further we need 50,000 pounds. However, we need to widen this appeal and therefore we are sending this request to all our friends and supporters. We would be very grateful if you would consider contributing whatever you or your organization can do, no matter how small. Every pound will help to bring about great changes in the Dalit children's education. If you are able to contribute, then please send your donations to: **Rev William Allberry, 48, Ditton Road, Surbiton KT6 6RB.**

(cheques payable to "KMH(UK)")

Alternatively, you can send money to the bank direct:

**CAF Bank, Sort code: 40-52-40 ; a/c no. 00018566 ; a/c: KMH(UK)**

*As we reflect on 25 years of accomplishments, we are energized and inspired for the journey ahead. With sponsors like you by our side, we are confident that the coming years will bring even greater achievements and positive change in the unprivileged Dalit children's life.*

Once again, thank you for your unwavering support. We look forward to continuing this remarkable journey together.

**Wish you a Merry Christmas &  
A Happy New year-2024.**

**With love ... Revd. J.Jeyapaul & Charles**
